## Customer Reviews

This is one of the greatest stories I've read this year! I adore the bond and faith-driven support between this small group of friends. I fell in love with each character, as each

battled internally and externally to make it through every trial and tribulation thrown their way. Unfortunately, not every battle within this story was conquered. Along the road to victory, elbows were thrown and lives were lost. Nonetheless, this group of friends were triumphant. However, being a hopeless romantic, it really was the romance captured in this story that I enjoyed the most. There are 3 main couples carrying 6 different types of baggage. So the drama is plentiful, but the LOVE, the LOVE is unyielding! Truly symbolic to God's love. Full of hope and faith, after reading this book you will find yourself saying I can do all things through him which strengthens me!

I'm Camile, lol .Kevin and Paige did not marry fast enough for me and yes they will find out about Kevin's mother's secret she needs to be found out. Tamala needs to know her place she's too thirsty. I think it's cute mother Ellen and Carols husband. Shayla is crazy ! She will only forget Frankie if she finds live. Lots of drama the baby will bring Kevin and Paige closer when he is seduced by

After church was wild this book is so relevant to life and Sunday dinners. It is so relatable sometimes we go to church but can't hold to the faith due to circumstances. Shayla is the story of every woman's heartbreak. She gave until she was empty. But when her ex moves on she broke. That was something else ,but we must not let anything separate us from the love of God and your sanity. I love the way Dawn and Autumn love Nikki. Its so much I'm not touching on. A must read.

Author Woods once again has tackled a serious topic in a way that we all can relate to. This is the second book I have read of hers and I love the way she brings the characters to life. Her characters remind us of ourselves or someone we know. In this second book of the Greatest Love Series she dove into the topic depression. Depression is real and a forbidden topic one that isn't always discussed openly. Her characters hide their depression in risky behaviors, substance abuse, anger towards others. Some seek counseling while for some the depression is too much to handle and it overtakes them. She takes us on a journey through their pain and sorrow while using scriptures and songs to help them find their way back to love and sanity. Camille is dealing with her daddy issues, Ms. Carol has showed us that losing a child sometimes can put us over the edge. Ben is feeling the guilt of is it okay to move on, Karen has to overcome the feelings of being hurt once again by a loved one. And will Shayla ever let it go, her behavior called for more than the lashing that Karen gave her. I look forward to reading the next book in the series.

Another great captivating book by Gene Woods! It's full of real life drama & hope, and hard to put down! Most of the characters are easy to fall in love with, and are well-developed. They learn to forgive & let go of their anger, pain, & resentment. I laughed over "a holiday of lamentations & regrets!" How often do we make it a holiday?! I could identify with having an "emotional breakthrough with the lyrics of the song", and especially loved the song in the book: "I am nothing, Lord. I'm nothing without You". This is a book that everyone can identify with some character or problem. It will make you anxious to get the next book in this series to find out what happens.

Great book! I love a faith based book that is both entertaining and delivers a well crafted message without being preachy! Benjamin, Camille, Kevin and Paige are at different stages of faith but it's so realistic to life in how they handle their situations. Sometimes, I laughed out loud, wanted smack somebody, and cry. This was a GREAT read.

Too much drama. .could not keep up with who was with who..and the ending was rushed.

It's the second Genevieve Woods' book I've read and this one is even better than first, I believe. I like the drama and how it turns into the...well, no spoilers, I believe ;)
