# Robert's Rules Of Order Newly Revised In Brief, 2nd Edition (Roberts Rules Of Order In Brief)

## Synopsis

Robert's Rules of Order, Newly Revised, In Brief was first published in 2005 to meet the need for a simple and short book on parliamentary procedure. This second edition of In Brief is now updated and revised to match the new full edition of Robert's Rules of Order, Newly Revised, also published this year. Written by the same authorship team behind the officially sanctioned Robert's Rules of Order, this concise, user-friendly edition takes readers through the rules most often needed at meetings—from debates to amendments to nominations. With sample dialogues and a guide to using the complete edition, Robert's Rules of Order, Newly Revised, In Brief is the essential handbook for parliamentary proceedings.

## Customer Reviews

A Washington Post Paperback Nonfiction Bestseller, 5/29/12

Henry M. Robert III is the grandson of General Henry M. Robert and has served as president of the Maryland Association of Parliamentarians and as parliamentarian for the National Association of Parliamentarians (NAP). William J. Evans, a retired attorney, was president of NAP from 1979 to 1981 and has also served as its parliamentarian. Daniel H. Honemann is an attorney in Maryland and a past president of the Maryland Association of Parliamentarians. Thomas J. Balch is a lobbyist and legislative analyst based in Washington, DC, who also served as parliamentarian for

NAP.Ã Â Ã Â

Great book for nitpickers. Enough here to either grind a meeting to a halt or actually conduct a meeting in a fair manner. Be aware, includes subtle "ad's" to buy the full RRO book because this is "In Brief". (OK, I bought the full book after reading this.) This book is good enough for most occasions and organizations.

Needed for a non-profit. Sure helps resolve arguments about what is and is not "the rules". I can certainly see how these rules came to be in existence as have come up against issues when people tried to figure out on their own how to circumvent. These rules are not made to be broken as they help facilitate smooth and fair meetings.

A well organized handbook that allows you to focus on a particular event for guidance, Written in an easy to understand format, purchased this after becoming chairman of a committee and it helped my initial self confidence on conducting my first meeting.

This Rules book is very good and an easy read. How good to have something like this that states important rules concisely.

Another well written book for keeping my meetings in order.

I tried to save money by ordering the abbreviated version, but this version what no very helpful to me. The abbreviated version is mostly the obvious so unless you have no background on meetings, I wouldn't think this would be worth buying.

Ease of finding answers not practical for use when immediate response is required. i.e. meeting

This book is absolutely essential for those who must chair (or act as parliamentarian for) meetings of even smallish societies. Having seen its influence on other organizations, I gave it as a gift to the autocratic but unschooled chairman of our property owners' association. His behavior has become more businesslike (e.g., he has stopped trying to make motions himself [!]), and meetings are starting to become more structured and less a waste of everyone's time. A small victory, but a victory nonetheless.
