Pulling Down Strongholds

Synopsis

You Are in a War, Whether You Know It or Not Most Christians would have no hesitancy in affirming the concept that God has a kingdom, with its angelic hosts. Unfortunately, many Christians are unaware that Satan also has a kingdom, represented by a host of demons. With earth as the battlefield, these two kingdoms wage war with one another for our minds and souls. As Christians, we need to understand the nature of this war and how Satan's kingdom operates. Legendary author and Bible teacher Derek Prince examines the concept of spiritual warfare as an unmistakable aspect of Christian living. Thanks to this crucial teaching, you will... Discover why spiritual warfare exists Understand how Satan's kingdom operates Learn the six weapons of spiritual warfare Implement strategies that will bind Satan's schemes Tap into the overcoming power of the Holy Spirit Satan has already declared war on God's kingdom. As citizens of God's kingdom, we have no choice; we are already at war. Therefore, it is vital that we be prepared in order to overcome the enemy's plans, push back the darkness, and proclaim victory for our God!

Internationally recognized as a Bible scholar and spiritual patriarch, Derek Prince (1915-2003) was educated as a scholar of classical languages at Eton College and Cambridge University in England, and later at Hebrew University in Israel. While serving with the British army in World War II, he began to study the Bible as a philosophical work and, as a result, experienced a life-changing encounter with Jesus Christ. Derek Prince taught and ministered on six continents for more than sixty years, imparting God's revealed truth, praying for the sick and afflicted, and sharing his prophetic insights into world events in the light of Scripture. He wrote over

fifty books, which have been translated in over sixty languages and distributed worldwide. He pioneered teaching on such groundbreaking themes as generational curses, the biblical significance of Israel, and demonology. Derek Prince Ministries, with its international headquarters in Charlotte, North Carolina, carries on the good work that God began in and through him by distributing his teachings and by training missionaries, church leaders, and congregations through its worldwide network of offices.

Size of the book surprised me, closer to being a pamphlet; but the content.. very inspiring, insightful and biblical. While not "creative" in the sense of trying to convince sensational concepts, the words that come to mind are faithful and insightful from a teacher whom I'm truly learning to appreciate with each turn of the page. I'd gladly recommend the works of this man for those discerning seekers. Overall, while a simple and short read, but I'm finding the message to be deep, authentic and inspired to the extent that I will remember and contemplate what I learned contrary to the small size of this wonderful book.

I have never had anything by Derek Prince that I didn't love. This man was such a gifted minister and he had a great teaching gift as well as the ability to expel demons successfully and consistently. That is what God directed his ministry to be in a unique and primary fashion. It was very unusual at that time for anyone to have a deliverance ministry. So it wasn't easy at all for this man of God to walk out God's will for his life. As he did it the results were so fantastic because the Holy Spirit was with him, that it wasn't very long before he was recognized throughout the church of Jesus Christ as a gifted saint. His teachings in this book and on YouTube have blessed me so amazingly that I am free of many things that had kept me bound and limited in my Christian walk. I am so grateful to God for Derek Prince.

In the unseen world around us there is an array of spiritual forces not understood outside the Bible. Derek Prince unmasks these forces that oppose humans and cause many of the troubles that 'just won't move', - a stronghold. He gives answers that can be tested and examples from his own life as well as others. This book is like using dynamite to clear away a path through impeding obstacles in the spiritual plane. When power is needed, where does one obtain it, and how? Proven answers with solid instruction will help get the job done.

I loved this book so many scriptures to help you study with. If you want to know how to pull down

strongholds please read this book.

It's a good introduction or starter book in pulling down strongholds ,but I don't think it covers everything Prince has strong opinions on some things , can't say they are right or wrong just haven't heard or considered some of his beliefs. It's a good starter pamphlet. Prince stressed the importance of speaking out daily scripture and proclamations over life in defeating strongholds and binding and loosing. Lot of talk about high places in our lives and congregations - new things to consider I supposed , I think that subject was explained fully enough to understand in a personal level. I enjoyed the short book, read it in a day.

Not what I expected. I was looking for something to deal with personal strongholds, not strongholds over nations and governments. But it was enlightening to know that those strongholds exist also.

I thought this book was so amazing gave me so much insight into the spirit realm even though we are in Christ He has called us more than conquerors and he has equipped us with every spiritual gift to fight the enemy and bring down those strongholds that were set up against us And Our family

An expert on demonic warfare. Highly recommend his teachings on this subject. I don't agree with him on some things, but this I do. He has passed on and left quite a legacy of knowledge and experience to help set the captives free as Jesus said too. The church is weak in this area. So we have to study on our own which is fine with me.
