Peace And Conflict Studies

Synopsis

The thoroughly updated Fourth Edition of the gold standard text explores historical and current topics in today's rapidly changing world to provide a comprehensive introduction to peace and conflict studies. Authors David P. Barash and Charles P. Webel offer an insightful analysis of 21st-century global affairs, including such timely topics as ISIS, the nature of violence and nonviolence, cutting-edge military technologies, the Terrorism and Global Peace Indexes, and the latest developments in Iran, North Korea, and Syria. Comprehensive yet written in a student-friendly and accessible style, the text represents a commitment to inspire readers to create a better world through an understanding of what has happened and what is happening, and therefore what is likely to take place in the future.
