# Power Bible #1-10 - Full Set - Kids Comic Bible - Green Egg Media

## Synopsis

OVERVIEW OF THE ENTIRE BIBLE -With over 2,000 pages and 100+ Bible characters, the 10 volume anime-style Power Bible comic will guide kids through the Old and New Testament. God's plan of redemption begins with Adam and Eve, and culminates with Jesus, the new Adam. Learn about the character of God and His heart for the world to be redeemed in the stories of Noah, Abraham and Sarah, Moses, Deborah, Ruth, David, Esther, Isaiah, the 12 disciples, the apostle Paul, and several dozen more. The story ends with Revelation, revealing a new beginning.

TRUSTED BY PARENTS, PASTORS AND PROFESSORS - Based on the New American Standard Bible (NASB), the Power Bible accurately simplifies the storyline of Scripture. FUN TO READ - Full-Color, Fast-Paced, Engaging and Memorable! The Power Bible will cultivate in your child a love for God's Word.

## Customer Reviews

The Power Bible is perfect for school-age kids, especially boys, who are drawn to graphic novels. The colors are bright and bold which really bring the characters and action to life. My two children, ages 7 and 9, were interested as soon as they saw the cover and remained engaged through several stories. I knew the Power Bible would get read cover to cover when my son said, I always thought the Bible was kind of boring and mostly for grown ups, but this one isn't boring at all!

--Kirstin B. - Mom, Nebraska As a parent and pastor, I know of no greater privilege and

responsibility than to raise our children in the discipline and instruction of the Lord (Ephesians 6:4). This book illustrates the major stories of the Bible in a clear, compelling, and entertaining way that children will love. My two children couldn't put this book down. If you are looking for a resource that will help foster in your children a love for God's Word, look no further." --Rev. Julius J. Kim, Ph.D. - Dean of Students & Associate Professor of Practical Theology, Westminster Seminary California, Associate Pastor, New Life Presbyterian Church

When you read through the Power Bible, it's a crash course in how the Bible basically goes. It moves along, it's fast, it's energetic. It is a good introduction to the basic storyline of scripture. Because it's entertaining, you'll read it over and over again. Before you know it, you've been ten times through the storyline of the Bible. --Dr. Fred Sanders - Professor of Theology at the Torrey Honors Institute at Biola University

Shin Joong Kim is a comic book artist from Korea. His faith led him to spend nearly a decade creating the Power Bible with the goal that kids and adults would get immersed into the Biblical world, discovering God's truth and love therein.

I super-love the Power Bible Series (I have read the Indonesian-language edition). And reading the English version is still an adventurous experience for me!! I am truly thankful for the production of the comic, and hoping that there will be hundreds of translations that people may understand The Holy Bible in a colorful and fun way (The Bible itself is God's personal letter for human kind, but in a comic format - totally makes me want to complete my Bible reading all over again :)). It is attractive, funny, and very comprehensive!! The only thing I wonder is that why the English version doesn't have a Guide-Book supplementary in the 10th book, like the one I have in the Indonesian one. Anyway, I am curious of the Korean version :D

My 8 years old son loves this book so much! He reads this book every night before bed, and it made my 11 years old son also get interest, and older son joined to read every night. I like the picture, and kids love the Bible story for sure!

These keep my kids' attention (age 6-9,) and do a good job of telling the story of the Bible in a way that is accurate to the facts. A great way to get an overview of the important events and how they connect to the larger story of God, Israel, Jesus, and how it all fits together. Educational for adults too!

My kids love it and can't stop reading it. We got one as a present, and after our kids could not stop reading it, we decided to purchase the whole set. They are enjoying it very much

Our kids enjoyed reading the stories (9 years to 5 years) and looking at the animated drawings. We had the first three but since they liked it so much we ended up buy the entire collection.

I bought this set for the kids... It is great. I even got hooked on it, I also learned few things I didn't even know before. Covers the most important events in the bible. Great and not a boring way to teach kids about God. My kids read through six books in about a week...

I bought this for my grandchildren (ages 14 and 11) because a child in our church said he has read through the volumes twice. He said it was so much fun to read. This young man is 10 I believe and I thought it was a wonderful recommendation. I was please with what I saw in the volumes and how it was categorized.

My 7 years old girl really likes this book set. This set consists of 10 books. She already read at least 6 times since I bought this set (about 3 month ago). She said, "I'm addicted to Power Bible. I really love bible story! "
