Letters From Heaven By The Apostle Paul: Galatians, Ephesians, Phillipians, Colossians, I & II Timothy

Synopsis

Imagine a letter coming straight from heaven. What would God say? Would we be able to fully understand his message, or would some of it puzzle us? The Apostle Paul writes this compilation of letters to the First-Century churches he established. He wanted them to know the heart of God and hear his message of truth and love. Some of the most beautiful truths of the Bible are found in the letters from Paul. Ephesians lays an exciting foundation for our lives; Philippians fills our hearts with joy; Colossians brings the colossal revelation of Christ in us and the hope of Glory. Paul's letters to his spiritual son Timothy stir our hearts with greater passion to serve God and love him supremely. Listening to these letters is like having Paul sit in the living room sharing his experiences and messages of life. Be ready to sense the stirring of the Holy Spirit as you listen to Letters from Heaven by the Apostle Paul!

Awesome translation. Love all the footnotes and the way the explanation of the Greek and Aramaic are spelled out. Excited to read Psalms next. It is an easy read and extremely accurate.

This translation really helps me understand the Word of God better. The Holy Spirit has been lighting up the pages since I started reading this! I absolutely love it because for the most part, I think this translation captures the heart of the scriptures instead of leaving things out or choosing to use different words that don't adequately or correctly represent what the original Greek, Aramaic, and Hebrew said. It's wonderful! Just absolutely wonderful.

Wonderful full of life translations and interpretations of Holy Scripture

The Passion Translation is a beautiful translation: full of love, passion, and the heart of the God that I know. When I first became a Christian, I had deep love and hunger for the word of God. I absolutely fell in love with the bible. But soon many well meaning brothers and sisters pushed me away from it by twisting and manipulating the scriptures to make me feel bad about myself. I took a long break from reading the bible because of the hurt and pain that was in my heart. But then one day, I encountered the true Word of God, which is Jesus Christ Himself. He touched me, filled me with His love, and healed my heart to the fullest. I LOVE The Passion Translation because it so accurately puts words to the things I experienced in the very heart of God. When I read this translation, I sit and weep and worship the Father. It's the first time in a long time that I was able to actually hear from Him through the written word. It's like I'm sitting in Jesus's lap and hearing Him read to me. If you need a fresh encounter with the Bible, I HIGHLY recommend you get your hands on a copy of this book.

Love how this written! Great read
