# Top 10 Puerto Rico (Eyewitness Top 10 Travel Guide)

## Synopsis

DK Eyewitness Travel Guide: Top 10 Puerto Rico is your pocket guide to the very best of Puerto Rico. Year-round sun and fabulous beaches make Puerto Rico the perfect warm-weather getaway, but there's so much more to explore on this beautiful island. Wander off the beaten path to the misty rainforests of El Yunque, venture through the island's mountainous interior of Spanish hill towns and coffee plantations, and explore the gracious colonial towns. Delicious food, world-class rum, and an array of popular festivals make Puerto Rico a vibrant place. This beautiful island truly offers a little bit of everything. Discover DK Eyewitness Travel Guide: Top 10 Puerto Rico. True to its name, this Top 10 guidebook covers all major sights and attractions in easy-to-use "top 10" lists that help you plan the vacation that's right for you: **• "Don't miss" destination highlights**. **• Things to do and places to eat, drink, and shop by area.** **• Free, color pull-out map (print edition), plus maps and photographs throughout.** **• Walking tours and day-trip itineraries.** **• Traveler tips and recommendations.** **• Local drink and dining specialties to try.** **• Museums, festivals, outdoor activities.** **• Creative and quirky best-of lists and more.** The perfect pocket-size travel companion: DK Eyewitness Travel Guide: Top 10 Puerto Rico.

## Customer Reviews

"This [DK Eyewitness Travel: Top 10] might be the best traveling companion to throw in your pack. It's a slim and sleek overview **•** loaded with practical and useful content." **•**

Gadling.com"Known for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." Chicago Tribune"The best option Color photos, maps, and diagrams bring the place to life." The Philadelphia Inquirer

About DK Eyewitness Travel Guides: For more than two decades, DK Eyewitness Travel Guides have helped travelers experience the world through the history, art, architecture, and culture of their destinations. Expert travel writers and researchers provide independent editorial advice, recommendations, and reviews. With guidebooks to hundreds of places around the globe available in print and digital formats, DK Eyewitness Travel Guides show travelers how they can discover more. DK Eyewitness Travel Guides: the most maps, photography, and illustrations of any guide. Recommend: For an in-depth guidebook to the Caribbean, check out DK Eyewitness Travel Guide: Caribbean, which offers a complete overview of the island destinations in the region; thousands of photographs, illustrations, and maps; and more.

I have been a big fan of DK's "Top 10" books for over a decade and have used them extensively throughout Europe/eastern Europe. Small in size and weight, they are perfect for slipping into a pocket or purse without being cumbersome. They pack tons of info in each book, all the top attractions and even those "off the beaten path" for a variety of tastes, preferences and activities. On Puerto Rico edition; I was born/raised there, we still have family there and visit frequently. We have given this book to several of our friends when they visit PR. We have found it to be accurate and comprehensive. Enjoy your trip!

I love this series of DK travel guide books.... always have. There are maps in the text and a separate plastic covered map which can be used independently of the guide. There are lists of best beaches, places to eat, places to go, etc. Information on outdoor activities, museums, hotels, bars and restaurants, hiking trails, etc. Can't wait for my trip!

This review only deals with the Kindle version of the book. In my view it is simply terrible: Navigation between sections is awful and complicated, the maps are tiny and can't be zoomed, let alone the fact that there are no hyperlinks: you see a landmark on the map, but it doesn't make sense clicking it, the map is not interactive at all.. It's very hard to find anything useful, and there are no photographs making any sense, which was typically the primary reason why I was purchasing DK

travel guides. It is obvious that whoever was porting this guide to the Kindle platform did everything mechanically, without thinking or trying to embrace the new capabilities. This guide was a complete waste of money, so do not repeat my mistake! It's a pity one can't return Kindle books like mobile applications... Having looked at the book for five minutes, I immediately wanted to return it.

Gives a brief, attractive overview of activities, attractions, beaches, food, shopping, local customs, and practicalities. Perfect for first time visitor who wants a concise guidebook. Includes sections on San Juan, North Coast, West Coast, South Coast, The Cordillera, East Coast and Islands. If you are unfamiliar with Puerto Rico, I recommend reading this book before making your itinerary. What sets this book apart from the rest are the beautiful photographs. The maps are handy, including a pocket map. The size of the book makes it easy to carry in a purse but it is heavy due to the thick photo quality paper.

This is an easy to read book and gives you tons of information that you certainly need to know if you are vacationing in Puerto Rico. I am native from the island, born and raised, I moved to the states about 4 years ago. I am planning to go visiting with my boyfriend who has never been and I wanted to be able to show him several things to do and plan for our vacation. It is divided in each region of the island depending on where you plan to stay you can manage and see different activities. It also has some sort of Tour depending on the region where it suggests several activities to do. It includes important facts and phone numbers and certainly is a great buy for the price. One of the most easy to follow, friendly user travel book that I've found.

The first hand experiences of the participants who helped prepare this book provided a clear view of the top 10 sites to visit, activities, restaurants, shopping spots, etc. We had a wonderful vacation!

Cool little guide has all the info you need and has pictures ( it is a big yes for me!)

We did not see everything recommended in the book, but most of what we saw lived up to its write-up. There is a map that is part of the cover of the book and an extra one tucked into a plastic pocket. I wondered why they might include an extra map and then when my daughter and her friend wanted to go shopping while we went to the fort, it turned out great to have the extra map that I gave to them so they could find their way around and know where to meet us when we were done. The main highways in PR are good, but if you get onto one that is even a road the next level down on

the map, it is likely to be very small and windy and slow. It will take you much longer than you might think to get somewhere. Stick to the main highways as long as you can even if it seems to be a less direct route if you are time constrained at all. One thing we saw, Tibes Ceremonial Park, was OK, but it took us most of a day to get there and back from our condo and it wasn't worth that much time. It is in the top 10. In all fairness, Ponce is a major area and is near Tibes and we didn't go there because we didn't have the time that day. Maybe if we had gone there we would have thought the drive to that area was more worth the time. The Fort in Old San Juan was very good and there is much more to see and do there in addition. The biobay in Las Croabas was terrific and so was El Yunque and scuba diving out of Puerta del Rey. Lots to see on the east coast. We'll have to go back to see more!
