Breakthrough To CLIL For Biology Age 14+ Workbook

Synopsis

A series of workbooks offering integrated content and language support for specific subjects. Breakthrough to CLIL for Biology, Age 14+ helps ESL/EAL students get the most out of their studies when learning subjects through the medium of English. The workbook contains exercises set within the context of core topics to consolidate understanding, embedding practice in aspects of language central to the subject in question. It is designed to support any Biology curriculum for students aged 14-16, including UK GCSE, Cambridge IGCSE® and IB MYP. The book should be used alongside a core textbook as well as classroom instruction. Endorsed by Cambridge International Examinations for language support.
