Cambridge English For Schools 1 Student's Book

Synopsis

Cambridge English for Schools offers an exciting approach to English for students from eleven to sixteen years old. This five-level course for young students has won worldwide praise for its innovative approach that really works. It was the first course to be fully based on CLIL (Content and Language Integrated Learning) principles. Cambridge English for Schools features a communicative, task-based approach where the content and concepts reflect students' own lives and interests. There is a clearly-structured, active approach to grammar with regular revision and evaluation. This course is effective with mixed-ability classes and emphasises learner choice, decision-making and autonomy. Level 1 contains 32 units and 80+ hours of class work.

Customer Reviews

'Imaginative, thorough, sustained with some novel features - especially good is the 'Parcel of English' idea.' The English Speaking Union'... the book is colourful and attractively presented with a wide range of stimulating tasks and topics. It encourages plenty of active participation, information gathering and research and would certainly set the average young learner on the right road to independence.' IATEFL Newsletter, 1996
