Queen Of Heaven: Mary's Battle For Souls

Synopsis

The story of Mary as you have never heard it before. She is history's most famous woman, hailed millions of times daily in the prayer that bears her name. Those who come to her at their hour of need are welcomed with a mother's love, compassion and care. She is gentleness itself to all who turn to her, save one: To Lucifer, the devil, she is an implacable foe. Queen of Heaven is the story of their enmity, the battle between the angel who said no to God, and the handmaid who said yes. It is a battle that began at the dawn of time, and has flared through history to the current day. The story begins with God's plan to take flesh through a woman, and the revolt of His mightiest angel in response. It continues in Eden, where a Savior is promised to a fallen world; and in Nazareth, where the woman who will bear him arrives. But Mary's moment of triumph and rejoicing at Nazareth is short-lived. Her ancient enemy has been waiting for her. And before her Son crushes his head, her enemy will pierce her soul. Queen of Heaven is an encounter with Mary as you have never had before. Accompany Mary from her Immaculate Conception through her Assumption and beyond. Join her as she defends Christendom at Lepanto, frees a captive people at Guadalupe and heals a broken nation at Lourdes. Listen to her at Fatima as she predicts the rise of the Red Menace and watch as she defeats it through her beloved Pope. Above all, discover why, though the battle continues, victory is assured to all who follow the Queen of Heaven in saying "yes" to our King. Lavishly illustrated. Full color throughout.

Customer Reviews

[A] vivid, moving, and insightful look into one of the principal tenets of the Catholic faith....tells the story of our Lady's essential position in Salvation history: from Eve, our first, failed holy mother to Mary's own Immaculate Conception, through her status in the Annunciation as the new Ark of the Covenant, to her role as Mother of the Church and of the Americas, and, finally (on the centenary of her appearances at Fatima) to her manifestations at key moments in human history... --Brad Miner, *The Catholic Thing* You won't want to miss this beautiful and inspiring story of Mary's presence in history and of her special place in the life of her Son. --Whitney Hetzel, *Get Fed*

Brian Kennelly is the author of two novels, *Two Statues* and *To the Heights: A Novel Based on the Life of Pier Giorgio Frassati*, and is the co-author of *Doors of Mercy: A Journey Through Salvation History*. Brian lives in Charlotte, NC with his wife Tina and their three children.

Beautiful overview of Our Lady both before and since her Immaculate Conception. But nothing really that hasn't been stated a thousand times elsewhere. Above all, this book makes the absurd claim that, due to the 1984 consecration, the Triumph of the Immaculate Heart promised by Our Lady at Fatima has already occurred. The authors do not bother to point out that Our Lady specifically said, at Fatima, that her heart would triumph AND an Era of Peace would be granted to the world. Now I am no Fatima conspiracy theorist, but you've got to be completely insane to think that, since 1984 (with how many hundreds of millions killed through abortion, genocide, starvation, war, persecution and the onslaught of homosexuality, etc. etc. etc.), we've been witnessing an Era of Peace. The Triumph is yet to come, my brothers. It is essential that we know that so that we may pray for it.

This book is an adequate introduction to one seeking an elementary understanding of Our Lady's role in salvation history but an excellent overview of her role in confronting spiritual evils as presented throughout world history. *Queen of Heaven* is an easy read (I will be assigning it to my eldest children, current ages 11-15) with a richness of content that I would recommend to anyone interested in learning more about or growing in devotion to the Mother of God.

Timely reassurance for Catholics in today's world, Mary's story is one we'll never tire of reading. Oh poor protestant brethren, you don't know what you're missing! Well documented and well written.

If you want to know what causes Catholics to revere Mary this book will tell you in a nutshell. It is relevant and up to date. Presented as individual essays you can read each as a stand alone or all

together for the big picture. Much more accessible than reading the saints.

If you're looking to understand Our Mother better or seek a deeper relationship, then this the book to read. It starts slowly, but becomes more engaging once it begins to delve into Our Mother's presence in our lives.

An easy read . Full of fascinating facts and inspiring stories . I'm grateful for the list of recommended books . It will keep me busy .

Liked the content, verbiage, in depth analysis of church history in tandem with St Mary's sacrifice. Loved it! Thanks be to God!

Beautifully written and concise given the volumes of information out there.
