Jewish Hopes: Jerusalem Restoration Prospects For God's Chosen People

Synopsis

This booklet published by the International Bible Students (Watchtower Bible and Tract Society) in 1910 contains the text of one of C.T. Russell's speeches on the restoration of Israel. Also included is an excerpt from Russel's book "Thy Kingdom Come" dealing with the same subject. It summarizes itself as follows: "The re-establishment of Israel in Palestine, an event to be expected within this harvest period. •How, and to what extent, and with what class, we should expect this restoration, •Date of its beginning, and evidences of its actual progress since. • Why millennial blessings, intended for all mankind, will reach and revive the Jew first. • The revival of Jewish hopes. • Observations of leading Jewish and Gentile writers. • The harmony of these with prophecy. • Israel's blindness respecting Christ already turning away. • The spread and momentum of the movement. • God will help them."
