# Clutter-Free: ONE HOUR A WEEK DECLUTTER! Simple Stress-Free Habits Of A Clutter-Free Life. How To Organize Your Home, Finance & Lifestyle! (Clutter Free, Lifestyle, Clutter, Declutter)

## Synopsis

+2nd BONUS BOOK INCLUDED! NO e-MAIL OR PERSONAL DATA

REQUIRED! | Read this book for FREE on Kindle Unlimited!

Is your nest clutter free? Of course it can't be called a nest if there's clutter all around, can it? Have you ever faced a situation when you had to toil for hours just to clear out one room before your guests show up? Many households have clutter all around. Their closets, rooms, attic, basement, living room | all remain messed up round the clock. But it definitely isn't a very good sight! Most importantly, it doesn't give a very good impression to your guests if they drop in to pay a pleasant surprise visit. This visit may not be very pleasant for you! Many families are of the opinion that if the clutter is removed, the house becomes presentable for once. But that isn't true. It is not a Herculean task or rocket science to keep your home clutter free. Once a week of de-cluttering can work wonders for your house, which you can now call a nest. This book called "Clutter Free: One Hour a Week Declutter" will help you organize not just your home but also your finances and lifestyle. Find out how you can keep your home clean and tidy and how to de-clutter your house on a regular basis. A systematic approach, patience, perseverance, and the right attitude can help you to maintain cleanliness in your house, and free your mind from stress and anxiety. Even more, this book will also help you to learn the fundamentals and secrets to leading a successful, financially stable life. Every line matters and has a lesson to learn from. A must-have eBook for all those finding it hard to de-clutter their home, finances and lifestyle....also, don't forget to check your awesome FREE bonus book, "THE ESSENTIAL GUIDE TO ORGANIZING YOUR HOME - Jam-Packed with Tips and Techniques", at the end of this book! Take action today and get this book! You'll be so glad you took this step! ## Customer Reviews

I've suffered from lack of organization my whole life, and I'm not just talking about my home or the office (my boss often scolded me for the mess I used to leave behind every day), but also in my entire lifestyle! A simple example: whenever I needed something, I just couldn't find it. Or, if my friends wanted to pay me a visit, I had to find excuses to refuse them. Iovana Yao's book is full of lessons on how to plan and organize your life, and, last but not least, how to get rid of stress so you can obtain a clutter free mind. My colleagues and friends have noticed a change already. Truly a very good book!

It's difficult and very tiring to declutter a home. I honestly think that my home needs about 2 weeks to declutter. Lol. Anyway, this book was a huge help. This book has helped me declutter my home and make it a very organized place to live in. It is true that it is easier to maintain a clutter-free environment than it is to actually declutter a space, you can experience more problems with regard to the presence or absence of clutter. I guess it is merely important to establish habits that will keep you from creating clutter. You will learn all those from this book. I am so grateful that I never hesitated to get my own copy of this book and taking the time to read it. The author did an

amazing job in writing this book! This book is worth-it!

When I saw the title, I was interested because anyone with a busy lifestyle can give one hour a week to decluttered. This book did not share anything new or specific, and nothing was organized to explain how much to do in an hour. Some of the suggestions or chapters would take me an hour to set up and then few hours to implement per chapter. There is good, basic information, but it didn't fulfill my needs.

I felt this gave me some inspiration to begin to clean out some of the clutter that creeps in after 30 years. Easy to read, and implementation techniques.

I live in a small apartment with my wife and daughter and I admit inside the house is a total chaos. Lots of stuff cluttered around, and I just find it hard making way to put all this stuff in order. When I saw this book "Clutter-Free: ONE HOUR A WEEK DECLUTTER!" I got the sigh of relief and when I read it, I was really glad that there is still hope in getting out of this awful mess. I certainly will apply what I have learned in this book. This is definitely the one I was looking for. Very nice one!

I knit in the evenings. The yarns make my room very dirty and unmanaged. The tips were very effective in this book. It tells you how to properly collect the clutter and make your rooms neat and clean. I used to gather all the waste yarns and throw it to the corner of my room but it didn't solve my problems. The tips I found in this book actually worked for me. The 1 hour that will clean my room for a week. I hope many others will also find these tips useful. Highly recommended.

Fantastic. I can't wait to get started. The book is beautifully organized, well-written, attractive and, well, tidy. As someone who is always on the brink of being really well-organized I feel a renewed commitment to that life. I see myself referring back to this book often and I'm looking forward to the upcoming family meeting in which we discuss our family mission statement. No. Really. Read the book. You'll see.

This book is a great read. It discusses some simple and yet very effective strategies to lead a more efficient life.
