Full of information on the French song and the cd is very helpful.

Just as described. This will keep me occupied for quite a while, I guess.

It is so much easier to order music books for my son. It seems, if I can find a local store that sells music books, they have to order anyway. Saves time and effort.

Very thorough anthology. Great selection of chansons and melodies. The book includes IPA, literal translations, pronunciation CD, and accompaniment CD.
