Bethany Hamilton: Riding The Waves (Heroes For Young Readers)

Synopsis

She caught another wave that came, and with her strong physique she placed her right hand on her board, pushed up, stood on her feet. As those around her cheered, she felt such happiness she cried. With one wave all her doubts were gone as she enjoyed the ride. Growing up in Hawaii, Bethany Hamilton loved being outside and joining her friends and brothers in adventures. She especially loved to surf. One calm morning while she was waiting for a wave, a fourteen-foot tiger shark crept up on her and swiftly severed her arm. After being rushed to the hospital and recovering, this thirteen-year-old was determined to surf again. And she did -- just three weeks after her accident. Overcoming doubts and physical challenges, Bethany went on to compete in surfing contests around the world and has inspired millions through her strength and faith to keep riding the waves. Whether reading for themselves or being read to, children love the captivating rhyming poems and unforgettable color illustrations of the Heroes for Young Readers series.

My daughter is a huge Bethany Hamilton fan. She is in 2nd grade and chose to complete a biography project on Bethany. This book was a quick and easy read for her, and provided her with some great facts for her report.

Great!

My daughter is a big Bethany Hamilton fan - she was doing a report on her so we bought this an

other ones. This one is poems of her. It was good, helped her with her report. Well written. I'd buy it for a fan or someone doing research needing more references.

Great little kid biography (1st - 2nd grade)

The little girl it was bought for loved it!

This is the story of a teenage competitive surfer who was attacked by a shark and lost her arm. Since it is intended for younger children, it is purposefully not too scary. Bethany Hamilton went on to be a champion surfer despite the loss of her arm. It is an uplifting and motivational story about survival and overcoming obstacles. It is very appropriate, written in rhyme, and short enough to read as a bedtime story. You'll be cheering for Bethany.

I read this book to 25 K - second graders for our church's AWANA group. They were totally absorbed by this inspiring, courageous story. The children loved it! You could hear a pin drop!!
