## Customer Reviews

"It's not often that you find a collection of mini cookbooks that inspires you with so much confidence, but My Kitchen Table's series of 100 recipes by various chefs is a classy production."  
—Sunday Telegraph Magazine

Mary Berry is trained at the Paris Cordon Bleu, often appears on BBC cooking shows, and has written more than 40 cookbooks, including Cook Now, Eat Later and Cook Up a Feast.

Pretty good cookbook, but has a lot of the recipes from Mary Berry's other cookbooks. Kind of sorry I bought it.

WAY fun collection of cakes & bakes. I've already started baking my way through the lot! Love Mary

Berry!

Great book. Well written, with easy to follow recipes. An excellent, diverse group of recipes.

Love merry berry because of the British bake off show. Great recipes. It's a little weird reading it but once you get used to it, it's actually easy to read. However everything is in gas.

Love it! Can carry in your bag.

It's much smaller than I expected. Being a smaller book, the print is also smaller. Keep that in mind when ordering this particular book.

Great to have Mary's recipes.

My anticipated book arrived yesterday ahead of schedule. It came in pristine condition. I will have to adjust the metric measurements but excited to get started! Thank you!
