Shakespeare Insult Generator: Mix And Match More Than 150,000 Insults In The Bard's Own Words

Synopsis

Put dullards and miscreants in their place with more than 150,000 handy mix-and-match insults in the bard's own words. This entertaining insult generator and flip book collects hundreds of words from Shakespeare's most pointed barbs and allows readers to combine them in creative and hilariously stinging ways. From "apish bald-pated abomination" to "cuckoldly dull-brained blockhead" to "obscene rump-fed hornbeast," each insult can be chosen at random or customized to fit any situation that calls for a literary smackdown. Featuring an informative introduction on Shakespearean wit, and notes on which terms were coined or only used once by the author in his work, this delightful book will sharpen the tongue of Shakespeare fans and insult aficionados without much further ado.

"America, it's time to take our unfriendly discourse to the next level. No more cliché F-bombs or redundant reality-show retorts...The 162 vocabulary flashcards featured in the spiral-bound Shakespeare Insult Generator by Barry Kraft will help you create more than 150,000 staggeringly specific insults. Tell those sneaping rug-headed pig-nuts exactly what you think of them, especially when they act like pestiferous mushrumps. They'll be so confused or amused that your conflict will disappear. Peace through literature, you white-livered scuts!" - Sacramento News & Review"Let's face it. If you spend enough time on the Internet, someone's going to purposely insult you, probably in boring old four-letter fashion. If you're a big enough person, you can close the browser, chat, or

email window and turn the other cheek. Or you can break out the spiral bound Shakespeare Insult Generator and mix and match the bard's words to your nefarious purposes. Each page is broken into three flippable cards for over 150,000 combinations of high-brow contempt. On the back of each card is a translation, so you can know exactly what taunt you've tossed. What are you waiting for, you beslubbering, leptus-leering costermonger? " - Geek Dad

Barry Kraft is a professional actor who has specialized in Shakespearean roles for over 50 years. He lives in Northern California.

My 2 nieces, ages 11 and 13, grabbed this book from the gift wrap and spent the whole afternoon insulting each other while learning Shakespeare's barbs at the same time. It was a gift for them after they'd starred in a youth Shakespeare play. This was their favorite gift of the pile!

This small notebook/book given as a gift to a Shakespeare word lover ... a lot of laughs and fun.

My friends and I are big nerds and this book is perfect. We play dungeons and dragons weekly and this book is so wonderful for generating appropriate insults! So fun! Arrived before scheduled!

Greatly enjoying this book. Most of my friends get a kick out of it when I use it on them. It's a great way to insult someone whilst confusing them at the same time. Thankfully the definitions of the words are on the back. Great idea for a gift.

As a high school English teacher, I had fun introducing Shakespeare's insults to my seniors, before they read Macbeth. They enjoyed flipping through the book and coming up with new names to call each other! Warning...I will not hand this book over to my freshmen, because of some of the insults. The coarseness would embarrass me!

It is smaller than I thought it would be - more of a stocking stuffer gift. But a lot of fun just the same.

Bought this for my wife for her classroom. Book binding quality was very well done. I wish I had this back in Adv. Lit in high school though as it is quite entertaining. Each word comes with a definition of what that word means, and you can get some colorful combinations!

Fun gag gift. The photos don't do it justice; very cool design.
