## Customer Reviews

This is quite possibly the worst travel guide I have ever seen! It's not got a single map, a single photograph or even any commentary at all other than the introductory sentence. It's a directory of shops, restaurants and attractions with not a single review or explanation. This is an extremely lazy compilation of random information that could just as easily have been found in the local telephone book. A complete waste of money and time. I wish I could get a refund. Many shops listed aren't places a tourist/visitor is likely to go -- furniture, hardware, locksmiths, and pawn shops! And they are listed in some unexplained "ranking" of 1-500. No criteria listed, just that they are "the most positively reviewed and recommended by locals and travelers." Lazy "author".
