Customer Reviews

I have a girlfriend who's husband is a wonderful Tongan, I wanted their little girl to see who the proud Tongan people are and how they live. The book has a simple history and points of interest which is well written. It also has some useful Tongan words and phrases that she can speak already but now can see on paper. This book makes me want to visit Tonga.

Having been to Tonga often to meet the King and photograph the Kingdom before any guidebook, I was curious to see the Lonely So, it was withdrawn from public library, wound up in second-hand e-book shop. Cost a buck. S&H \$4. Appeared as new, except for DISCARD stamp. Rick Carroll
