beautiful patterns

Great book.Seller had nice communication and I really liked that. Lots of patterns in the book.

This book has amazing and imaginative patterns inside. They range from simply easy to very intricate and difficult. But all of the patterns are well written and easy to understand. Each pattern is gorgeous in its own right. I absolutely love this book. If you love to makeyou homemade afghans this is the book for you.

All the afghans are beautiful and so easy to make.

Big easy to follow instructions and awesome photos. As a newbie I was able to finish 2 projects in

less than a week by just following the photos and patterns. Success to the publisher and author!

Thank you
