The Best Boy In The United States Of America: A Memoir Of Blessings And Kisses

Synopsis

Hilarious and heartfelt, Ron Wolfson's inspiring memoir is filled with stories of growing up in a warm family, encountering colorful characters like the merchants of Omaha and the famous Warren Buffett, navigating adolescence and learning never to underestimate his mother. With easygoing Midwestern humor and profound poignancy, Ron's true stories of family and community in the United States of America will resonate with anyone seeking to shape stronger families, create compelling communities, and live their best life - a life of joy and laughter, meaning and purpose, and, yes, blessings and kisses.

Customer Reviews

I laughed (hard) and I wept. Ron Wolfson is a consummate storyteller, and his coming-of-age tale is sweet, warm, and captivating. His dedication to his family and his love for his hometown are inspiring. Going far beyond his own personal reminisces, this book is the chronicle of the transformation of Jewish education in America by one of our most innovative, creative, pathfinding educators. It used to be said that "Jewish education in America is a mile wide but only an inch deep." Dr. Ron dug deeper and deeper, and because of him, and the thousands he has trained and inspired, our children know and love much more of their heritage. The Best Boy in the United States is a celebration of life that ignites the spirit and satisfies the soul. Highly, highly recommended.

What a marvelous book! I grew up in the Omaha Beth El Jewish community Ron writes about. It was wonderful to see it all again through the lens of Ron's memory, to see unfolding in the specific

microcosm of a Midwestern town, universal, timeless values of faith, family, and community. Who knew Omaha would become the Anatevka of the new millennium? Ron makes his own miracle with the material. He is never preachy. He tells us stories, and through them, how life in a Jewish community in a Midwestern town gave birth to his own Jewish neshama, Jewish soul. He provides us with a model for processing our own stories and for living our lives with joy and commitment. Ron's message of joy empowers and lifts the reader to new heights! Mazal Tov! What a wonderful Shanah Tovah gift to the world!

Dr. Wolfson is an outstanding speaker & author. Several people have told me they couldn't put the book down. He is an educator who entertains while teaching. His speeches and *The Best Boy in the United States of America* are most enjoyable. Ellen L. Jacobs

I enjoyed reading this book very much. I liked the short and specific chapters on different subjects. Although the title may be a little arrogant, the author did not impress me as being arrogant. It was interesting to read about the family relationships the author had and to read about his ups and downs at various times in his life. I had a few tears in my eyes when I finished reading the book.

I loved this book. It was a heartwarming book telling of the love of family and community. It made you laugh and cry. It also made me so proud to be a Jewish American. It reminded me of my European grandparents and the overwhelming love grandparents can have for grandchildren. It is a wonderful book filled with love of family. I applaud Ron Wolfson for sharing his life with all of us. Great book!!!! Lisa Epstein

A warm, touching, funny, intimate, accessible and deeply inspirational memoir. Great stories and lots of practical wisdom for families and communities. You will definitely be moved to both laughter and tears. Very highly recommended!

Beautiful, meaningful, insightful, moving, funny and reflective. I have already recommended it to some friends who have been enjoying it, as well.

This is a great read! Ron takes you into his life and shares with you what made him into a magnificent husband, father, grandfather, educator and the Best Boy in the United States!
