This book is amazing! I was searching for a book that would help me better myself in life, I specifically wanted to learn how to meditate to relieve stress and anxiety. I have only recently started meditation but I was able to use the techniques referenced in this book to begin my journey to "zen." Through using the techniques in the book, I wake up a lot happier, not dreading work I was able to sleep better and overall I feel like I'm happier. Definitely something I'd recommend to everyone!

This book is amazing! I was searching for a book that would help me better myself in life, I specifically wanted to learn how to meditate to relieve stress and anxiety. I had never used meditation previously before this book. However, I was able to easily employ the techniques referenced in this book to begin my quest for inner peace. This is such a great and helpful book indeed. Recommended!

This is a very well written book on meditation, its benefits and the different types. Meditation is a complex topic that I find the simplicity of the book relaxing and calming. I also love the approach of this book to the topic. After reading this I feel like I could only gain from this experience. Very interesting book. Covers several different forms of meditation in an easy to understand format.

Very good for beginners. A lot of my questions were answered regarding it. As I begin my meditation practice, this guide has been helpful in breaking meditation into smaller pieces to work towards my final goal of a regular practice. There are lots of tips to vary your practice to make it more meaningful. It takes time to develop a good habit that is long lasting. I learned a lot about meditating and different ways of doing it.

This guide is packed with great information on how you can manage everyday's problems like stress, depression and anxiety. This book will teach you how you can take meditation as a medicine for your body and soul; how you can relax and enjoy a healthier life! If you want to be healthy, you really need to have this book!

Enjoy reading beginners meditation to learn basics. Meditation could be different or can't be explained it have to be studied and experienced. Would recommend the book to learn Meditation.

Last 4 days ago I got this book and I'm really impressed with the amount of tips that this guide book has. More time I am frustrated about my future for that my friend suggests me the book. In this book the information is organized in a logical way that's easy to access, read and understand. It is indeed a good read and I highly recommend this book to everyone.

Perfect for beginners and easy to follow guidelines. This is a very easy way to get started with meditation and It explained how to quiet and focus the mind in preparation for the meditative state. The information given was excellent and easy to apply to everyday life. I highly recommend it.
