Wake Up, Magic Duck! (Magic Bath Books)

Synopsis

Toddlers will have fun with this book at bath time. Each foam-padded page is constructed of sturdy, floatable vinyl, and shows a picture of a friendly animal. When kids dunk these books into the bath water they get a big surprise. A duck, a sheep, a frog, a butterfly, and a fish magically change their colors. When the pages dry out, the animals return to their original white. The book is packaged in a transparent plastic bag with a hanger card.

(back cover) Wake up Magic Duck and her friends by dipping the pages of this book in the bath or under a tap. Children will love to see the pictures magically change color Titles in this series:

Found You, Magic Fish! Wake Up, Magic Duck! Written by Moira Butterfield, Illustrated by Jeremy Child

Moira Butterfield specializes in books that entertain younger children. She is also the author of several delightful Animal Flappers books for preschoolers, also published in North American by Barron's.

I was looking for unique unusual Bath toys for our 2.5 y.o. twins. Yes, we have all the usual stuff - ducks, balls, buckets - but kids get bored with those fast. I got superexcited when I found these books from Magic Bath Books, that I got all 4: [Found You, Magic Fish!](#) (Magic Bath

Books)-Ã Â Who's Playing Outdoors? (Magic Bath Books)-Ã Â Who's Playing on the Farm? (Magic Bath Books)-Ã Â Wake Up, Magic Duck! (Magic Bath Books)PROs:- WATER. Seriously, have and play with books in the water! How cool is that! Kids who love books will truly appreciate it.- COLOR. Of course it's fun that these change color, although it would've been cooler if the change was a bit more obvious/visible- PRICE. Great price under \$6 each!- STORY TELLING. Whether you read what inside the book OR make up the story, it's fun for kids! I just make up story... "The cow goes moooo.. " or "Who is this? What color is frog?" etc!CONS:- DRYING. Yes. Please dry each thoroughly - stand it open so all pages dry out simultaneously. The color will change back to original only if dried properly.MORE. I wish there were more books in this series - colors, shapes, numbers, alphabet, farm, ocean - just few ideas to puzzle on. Make it educational even in the water!DESIGN. Just my personal taste, I am not crazy about the drawings. I would prefer another artist. Not bad, just not my favorite.Still 5 stars, as there is nothing similar on the market. And I think it's a MUST HAVE for Water fun!

I have a 2 yr old toddler who takes daily baths. ThisWake Up, Magic Duck! (Magic Bath Books) do changes its colors, the white duck turning yellow although my daughter doesn't notice this. She is more amazed with just having a book with her in the bath. She seems to be a budding bookworm. The book floats and she doesn't seem to have a difficulty turning the pages. This book has 4 colorful pages. My toddler seems to approve it.

My 15mo loves his "I found you, Magic Fish" Magic Bath Book! It's the first thing he grabs when he gets in the tub every night. I went ahead and got him "Wake Up, Magic Duck" for his Easter basket. Can't wait to give it to him!

I love the books and it's neat to watch the colors change! I will say it's a chore to get them dry! If you leave them closed they stay wet and are still colored from the previous bath! :(

These products are to dang cute! Trying to teach 8 month old cause and effect. I got the other one they offer as well. Only bad thing is you have to let each page dry separately before it turns back to white so you can play. It won't dry on its own. A little time consuming.

The story is stupid but the color change is with it we dipped our fingers in water and "painted" the color on

Best suited for older toddlers. Anybody less than two just tosses the book out of the tub!!

Cute entry in the collection of vinyl bath time books.
