Disney Trivia From The Vault: Secrets Revealed And Questions Answered (Disney Editions Deluxe)

Synopsis

Beginning with the July 1983 issue of Disney Channel Magazine, Dave Smith began answering Disney trivia questions from viewers of the Disney Channel. In the ensuing thirty years, his column has continued through multiple publications, including Disney Magazine, the on-line "Disney Insider," and most recently the D23 website. "Ask Dave" questions have come from Disney enthusiasts the world over, and have covered topics ranging from Cinderella's last name (Tremaine) to the number of triangles covering the surface of Epcot's Spaceship Earth (11,324 facets comprising 954 triangles.) Over 1,100 questions have been fielded by Dave Smith, the now-retired Chief Archivist of The Walt Disney Company, and this book is a compendium of the most interesting and revealing of those queries. The book is divided into chapters that each cover an aspect of Disney history, including Disneyland, Walt Disney World, Disney films, Disney television, and Disney characters. Many of the questions bring up interesting information that has not been published elsewhere, and readers will delight in discovering some of the secrets behind their favorite movies and theme parks. "Did the same actress provide the voice of Maleficent, as well as the voice of Madame Leota, the head in the crystal ball in The Haunted Mansion?" "Who was the first athlete to say 'I'm going to Disneyland!'" Only Dave knows the answers!

In addition to founding the Disney Archives in 1970 and serving as chief archivist for over thirty

years, Dave Smith has been a featured speaker at many Disney events. He has also co-authored all volumes of The Ultimate Disney Trivia Book 1-4 and Disney: The First 100 Years (and its update.) He compiled The Quotable Walt Disney as well as three editions of the encyclopedia Disney A to Z.

Informative. I learned a lot I did not know much about the television trivia because I was too young at the time that the book illustrates, the stuff from the 80's I haven't seen on Tv. I learned a lot of things from the animated movies that I never noticed when I watched them. The book was a good read.

I have the original Dave Smith The A to Z official encyclopedia of Disney. Often I even print out the supplement that Dave updates each month. Smaller books, like Trivia, are fun excerpts from the encyclopedia. They are portable. For any Disney fan age 12 and up this little book is a welcome addition to the Dave Smith collection. We are fortunate to have a Disney historian like Dave. I recommend all his works..

I first received this book as a paperback for Christmas and I started reading it. However, I soon realized that I was spending more time reading books on my Kindle than in book-form, so I purchased the e-book as well. Very good book...lots of questions I've never thought of asking or to ponder about. The guy who wrote this is an actual archivist for the Disney Company, so he's very knowledgeable and answers each question thoroughly. I highly recommend this book to anyone who is a Disney fan...you will not be disappointed.

As a Disney Cast Member, I'm always on the lookout for neat trivia I can share with Guests. I saw the book referenced on Pinterest, and decided to order it. Not only in excellent new condition, but full of fun facts. An excellent find for Disney trivia buffs!

I bought this book anticipating our upcoming trip to Disney World. I would recommend this to any trivia fans who are visiting the parks. Well written and an easy fun read for the family.

Being a lover of anything related to Disney trivia, I enjoyed this book. It's fun to find out things I didn't know before.

If you like to know the behind the scenes and certain things about Disney, this book is great way to

start your curiosity.

Another good trivia book from Dave Smith. While about half of the book contains trivia I already knew, there was a good amount of trivia I didn't already know. And on some of the topics, they expanded the details regarding specific trivia elements.
