Customer Reviews

A nice snapshot of a bygone era. On my Kindle Fire I can blow these ads up and really examine them. Not as many ad as I would have hoped when I purchased this but is a good cross section. My favorite ad was for X-1 one of the very best old time radio shows.

I am absolutely fascinated by old-timey advertising, the type that didn't depend on pictures but on text to sell the product or service. It's such fun to read what my grandparents read! How I wish sometimes I could go back in time with a \$20 bill and just BUY stuff! Thanks for creating this; I hope to see more!
