## Customer Reviews

Dani Tattrie didn't expect to have A Scandalous Husband but one night in a motel with a woman that overdosed on bad drugs and he ended up in prison. Dani spend the next two years working hard to keep their horse ranch, the Double D going. Dex went to prison and cut Dani off when he sent divorce papers and would not allow her to visit him. Prison was a dangerous place for Dex with the gangs, guards that either looked the other way or made his life miserable being aggressive. The story of the different types of riding and horses' personalities and their reactions to people was interesting and tied the story together.

I'd like to rate it a 3.5. It was an interesting story but not my favorite of Bev Pettersen's books. I found the pacing too slow, especially in the beginning, with too much repetition of the main points. After the first third of the book, I was tempted to skim to the end to see how it turned out as I thought it would, but I instead read the whole thing. I wouldn't have missed much if I'd skimmed, and I did predict the ending correctly. I'm a Bev Pettersen fan, and I'd definitely buy more of her books, but I wouldn't re-read this one.

3.5 Stars, fun read. Easy to follow stand-alone. The storyline is somewhat of a plug and play, not all questions are answered. The characters and dialogue are realistic. No desire to re-read this story. I am interested in other works by this author.

Well done, a good plot with an interesting twist. A strong heroine and even stronger hero. And twerp boyfriend. It does put cops and Christians in a bad light, which I didn't care for. Other than that I enjoyed it.

Dex and Dani made a wonderful team and made a fabulous couple. It was a shame that her father was so against their marriage and their happiness.

This story has it all, heartache, devastation, doubt, and humility but also hope, yearning, and love. Don't miss this one, excellent all around.

Dani was the preacher's daughter who fell in love with the bad boy, Dex. Will their love survive?  
This is a very good book, loved it.

Bev Pettersen is quickly becoming my "go-to" author for a good read. In addition to learning so much about horses, the story is paced nicely from beginning to end. Dani is struggling to hold onto the ranch that she and her husband, Dex, own. Dex was incarcerated two years ago leaving Dani devastated. He had also sent her divorce papers that she has yet to sign. While Dex is counting the days to leave the prison, Dani has moved on and is planning to sell the ranch. Dex is released on parole for good behavior and seeks to get back into Dani's life. She is struggling to let him in because he betrayed her and doesn't know if she can trust him again. Their lives are intersected through the preparation of the sale of the ranch. Dex still loves Dani and is fighting to get her back while Dani is fighting to move on. This was a good story with suspense and lots of feeling.
