American Sign Language In 24 Hours (Alpha Teach Yourself In 24 Hours)

Synopsis

A guide to the fourth most-commonly used language in the U.S. From the Alpha Teach Yourself series comes this self-paced, step-by-step approach to learning ASL. It teaches readers the unique syntax and grammar, the signs themselves, and the just-as-important subtle facial expressions and body movements.

Customer Reviews

Trudy Suggs is an author, editor, and an American Sign Language instructor. She is the former Editor-in-Chief of Silent News Newspaper, News Reporter for DeafNation Newspaper, and the author of many articles, newsletters, and marketing materials aimed at the deaf community. She received her BA in Communication from Gallaudet University and later taught American Sign Language at both Harper and Columbia College.

There are picture examples and the book is well written. I have about 3 years previous experience with ASL and found this to be an excellent beginner's guide to learning.

I dropped this class but I almost considered keeping the book because it was so helpful.

Enjoying it so far. I would not use for learning ASL on my own, but as part of a class, working with a friend who already knows ASL, or to study independently for expanding vocabulary learned in a ASL class.

This book is most useful if used as part of a training. Excellent support for an 8 hour class I am taking with a certified teacher of ASL.

Not bad. Lots of good information about ASL and deaf culture.

Forget about learning it in 24 hours unless you have a photographic memory. The book is easy to follow and the illustrations are good.

This book is fantastic. The cultural information is so up to date and you learn culture along with signs. You don't just memorize the signs; you learn grammar along with the signs. So wonderful! I highly recommend this book to EVERYONE!

I used this book to teach my daughter some sign language. It was very helpful. I liked explain of things
