#### Customer Reviews

The books were good and clean. No sex or cursing. Easy reading no real plots. There were some typos and grammatical errors. A couple of characters were even called by the wrong name. Enjoyed the books. Would recommend to all ages.

Enjoyed each story by a different author. Many I had read their works before. But some were new to me. Each author kept you interested in their story. All the couples were made for each other. A few of the women had to learn more about their surroundings. Having each one take place at a different

time period was a fun part of the stories. It was nice to see how God was brought into the picture too. I will read more by each of these authors.

Humor and romance this collection has it all. Enjoy every author as they take you through delightful stories with godly couples who just need a little help to get them together.

Each story brought a new aspect of finding love in a special way. A couple of the stories had me laughing so hard tears were running down my cheeks.

Delightful stories of love. Romantic and charming throughout. Each story was clean and full of charm. Easy to read and each was a joy.

Enjoyed the series of Christmas stories. Short, good story line, and kept reader's interestRecommend reading to those who don't want to read alotnot pages.

I enjoy easy reads and ones that are up lifting. This series had all of this. Love the set of books as a selection.
