Explorer's Guide North Florida & The Florida Panhandle: Includes St. Augustine, Panama City, Pensacola, And Jacksonville (Explorer's Complete)

Synopsis

The definitive travel guide to North Florida and the Florida Panhandle. Whether you're looking for a vacation spot on the Gulf Coast, a wild place to dip your paddle, a path to a scenic waterfall, or a homestead that provides a glimpse into the lives of Florida's territorial settlers, seasoned travel writers Sandra Friend and Kathy Wolf bring you the finest and most unique places this region has to offer. This guide covers all of North Florida and the Panhandle south through Gainesville, including Pensacola, Panama City, Tallahassee, Jacksonville, and St. Augustine, and features hundreds of authoritative and dependable lodging and dining recommendations. 15 maps, 100 black-and-white photographs

Customer Reviews

Sandra Friend is a freelance writer and photographer whose work has appeared in Blue Ridge Country, Appalachian Trailway News, Florida Hiker, and Backpacker. She participates in the Florida Trail Association as an activity leader, a trail maintainer, and a volunteer with organization publications. She is also the author of Explorer's Guide 50 Hikes in Central Florida; Explorer's Guide 50 Hikes in North Florida; Explorer's Guide 50 Hikes in South Florida; Florida in the Civil War: A State in Turmoil, and Sinkholes. She lives in Ocala, Florida. Kathy Wolf has lived in Florida for over twenty years and is the co-author of several Florida Explorer's Guides.

I was annoyed that the book lists all restaurants - hotels - shops by neighborhood, yet doesn't list

ANY neighborhood names on its maps. So you have no way of knowing where/what side of town any of the stuff is! Since its a travel guide I don't know why they assumed their readers would know where certain neighborhoods are. I guess it was a (large) mistake by the editors/writers. It's hard to find a book about Jacksonville, FL so I bought this one (it covers all of north FL from Pensacola to Jax) but the info on Jax is so limited, probably not much more than I could find by just scouring a few websites. It lists only a few restaurants - hotels - shops, which I kind of like cuz then it's not overwhelming to pick one but just be forewarned that it doesn't give you many options. Another thing that bugged me is all of the very small, black and white photos are just generic Florida pictures, with no caption as to where they were taken. I'm not even sure from looking at them if the ones in the Jax chapter are of Jax beaches, etc. or just anywhere in Florida. I don't feel like the writers/editors put enough effort into this book.

There is some good information here but it's terribly organized. There is no rhyme or reason for the way things are written in this book and there are little bits of information scattered all over the place. It's confusing and frustrating to navigate. I use it because there are few up-to-date guidebooks written about North Florida, but if I had other choices, I wouldn't.

Just the guidebook I needed for a slow meander from Tampa to Alabama along the south Florida coast. Lots of helpful information about off-beat locations, well organized as to type (nature trips/restaurants/b&b's/galleries/historical spots/etc). The only limitation of this interesting companion volume is its maps - the text mentions places that the maps don't identify.
