## Customer Reviews

Mary Engelbreit grew up studying the illustrations in the vintage storybooks of her mother's own childhood, and she developed a unique style that harkens back to those simpler times.

Mary's distinctive images have made her a celebrity to millions, who eagerly snap up gift items, calendars, books, fabrics, and more. Mary's dearest wish has always been to illustrate for children. Her New York Times bestselling *The Night Before Christmas* is already part of the holiday tradition for families across the country.

My great granddaughter absolutely loves this book. They have other Mary Engelbreit books too so this was a nice addition to her 2 year old collection.
