ISBN-13: 978-0962357213

Product Dimensions: 0.8 x 6.2 x 9 inches

Shipping Weight: 12.8 ounces

Average Customer Review: 3.4 out of 5 stars 3 customer reviews

Best Sellers Rank: #3,184,706 in Books (See Top 100 in Books) #57 in [Books > Travel > United States > Georgia > General](#) #1342 in [Books > Travel > United States > South > General](#) #2365 in [Books > Travel > Food, Lodging & Transportation > Road Travel](#)

## Customer Reviews

I was very disappointed with this book which was sorely in need of editing! It was a laborious read at a time when I was searching for something both useful AND enjoyable! Without photos accompanying the descriptions of various locations within Albemarle County, I was left with a bland sense of what these places actually looked like. I had to rely on the power of my own creative imagination to visualize what was being presented. Architectural photography would have encouraged me to visit Albemarle County as I would be better able to recognize the sites referred to in the book.

We have had many pleasant afternoons cruising Albemarle with one of the children as a designated reader. With the suburbanization of the Virginia countryside, this is a great reminder of the way things were and the people who lived here before us. It should be updated and expanded!

Take a lazy afternoon and meander down these tours. You'll learn much about our past, the history

of Albemarle County and yourself as you read about the roads and homes still here. Obviously this is a fun thing to do WITH someone since you can't read and drive at the same time!
