Little Louie

Synopsis

Louie is one special dog. His tongue likes to hang out of his mouth, and his extra-long legs make him pretty clumsy. Still, Louie dreams of being a champion dog like his brothers. Louie spends most of his time playing with his favorite toy—his ball. He can bounce it and toss it, and soon he hopes to balance on it. One day, Louie goes to cheer on his brothers at the dog show and slips on his ball into the center of the stage. But what will the crowd make of this little dog with not-so-little dreams?

Little Louie is the fictional story of a very real rescue dog that captured the heart and imagination of writer/illustrator Kathryn Finney. Through Finney's masterful and infectiously cheerful paintings, Louie teaches kids to celebrate their strengths and to never give up their dreams. Everyone who reads this book will want to give lovable little Louie a forever home.

Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

A beautifully illustrated book with a great message for kids and adults as well. I gave this book as Christmas gifts to all the kids in my life and they loved it!

I can't help it! asked me to review my own book!

great book.

Little Louie tells the tale of a dog with big dreams. He longs to be a champion like his brothers. But Louie doesn't look or act like a champion. Instead of learning commands, he plays with his favorite red ball. Louie has another dream. He wants to be able to balance on top of his red ball. Try as he may, he cannot seem to master the art of balancing. Will Louie ever achieve his dreams of becoming a star? I greatly enjoyed this book. Kathryn Finney masterfully shares Louie's story through gorgeous painted illustrations. Louie is simply adorable with his tongue always hanging out of his mouth. I have a Chihuahua who does the exact same thing! I love how Louie's dream is truly his own. While he longs to be a star, he still wishes to do it his way. Readers and dog lovers of all ages will delight in following Little Louie as he chases his dreams.

My 6 year old daughter loves this book. The illustrations are beautiful and the story is really sweet. I'm going to buy another copy for my family that adopted a dog named Louie.
