Great cookbook. Includes nutritional value to help you count calories, proteins, fat and carbohydrates on auto pilot. A wide variety of soups, breakfast food and treats. My favorite soup has to be the Sea Food Soup Topped With Vegetables and the Pina Colada Chicken. dosj/ The cooking time is only 30 minutes, I have to say that many of the recipes are easy and quick.

I love using my pressure cooker, but it gets difficult to find new recipes. This cookbook was great, because it provided a ton of new and different recipes. I did have to scale the recipes down though, because I only cook for two. But nonetheless, the recipes tasted great!
