# Be Strong (Joshua): Putting God's Power To Work In Your Life (The BE Series Commentary)

## Synopsis

It can seem as though today's culture encourages weakness, not strength. And this attitude has crept into the church. Yet God's people are called to be soldiers, and to fight for His cause and kingdom. Based on the book of Joshua, *Be Strong* is an inspiring guide to pursuing a victorious life. Part of Dr. Warren W. Wiersbe's best-selling "BE" commentary series, *Be Strong* has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe shares the need for strong, dedicated believers. You'll discover how to dodge defeat, pursue your purpose, and take hold of all God has in store for you.

## Customer Reviews

Reading the Bible and reading sections that are then analyzed and explained is a truly unique experience. The author focused on things that are just excepted reading. I would never have

questioned the why or what about it. Everyone knows that Joshua was a devout leader and committed to doing exactly what was expected from God. Having his actions explained was a revelation. I truly enjoyed this book and I'm currently reading another of this series. Excellent!

This is my first Wiersbe book and I wasn't sure what to expect. I was hoping for more historical context and more explaining of what was happening during the time of the Joshua. Instead, the author tried to connect most things in the book back to today's life. In doing so, I think he took that aspect too far due and the connection was lost due to the lack of historical explanation. The chapters on the northern and southern conquests were written from a historical explanation perspective and I really enjoyed those chapters. I struggled through the first part and only read the headings in the rest of the book.

Once again Dr. Weirsbie challenges us with his practical approach to the Word of God. I highly recommend it to every Christian who wants to grow in the Lord.

Be Strong helps you to understand what Joshua had to endure and consequences good and bad regarding choices we make in relation to our obedience to God. It was well worth the purchase and it arrived in excellent condition.

This book was a wonderful study on the book of Joshua. It opens up your spiritual understanding and challenges you to cross over Jordan and enter into God's promises.

Great asset to use with our study book. Not needed because when it comes to it all you need is your Bible but I enjoyed this. I did also purchase in an ebook but found I needed it in an actual book so I could hold and highlight. Very useful in assisting me in facilitating a women's study group.

Great study of the book of Joshua. Complements the studies on Hebrews and Ephesians I just completed. Expounds on the need to obey and trust in order to experience victory.

I always purchase Wiersbe's Be books to go along with my Bible study. I love his perspective. Joshua was not the easiest book in the Bible, but Wiersbe's explanations helped.
