Customer Reviews

I bought this map to help me get between the "Cities of the Triangle". The map is good if you want to know how to get around within the cities. But, if like me, you are looking for a map of country roads in the areas and back ways to avoid traffic between the cities and towns of the Triangle, this ain't it.

helpful

Can only give thus 3 stars as the map is difficult to read and confusing. We have a GPS but also wanted a visual guide. Unfortunately, it didn't meet our needs.
