Top 10 Maui, Molokai & Lanai (Eyewitness Top 10 Travel Guide)

Synopsis

Drawing on the same standards of accuracy as the acclaimed DK Eyewitness Travel Guides, each book in DK's Top 10 series uses evocative color photography, excellent cartography, and up-to-date travel content to create a reliable and useful pocket-sized travel guide. Dozens of Top 10 lists provide vital information on each destination, as well as insider tips, from uncovering a city's most memorable sights to finding the best restaurants and hotels in each neighborhood. And to save you time and money, there's even a Top 10 list of Things to Avoid. Each Top 10 contains a pull-out map and guide that includes fold-out maps of city metro systems, useful phone numbers, and 60 great ideas on how to spend your day.

Customer Reviews

I use the DK guides as my main source of travel guides. Even the small Top 10 guides consolidate so much information I find them to be much more useful than many full size guides. As with this guide it had a pull out map and an overall map of the island on the inside cover. It broke down each area of the island and the top 10s in many categories, beaches, shopping, attractions, restaurants, accomodations, etc. I was again, not disappointed with this very slim volume that helped us navigate our first trip to Maui. We circumnavigated the island, staying 3 days in Hana and rounding out our stay with 4 days in Kihei as a jump off point to other adventures. This guide is beautiful. Lots of full color pictures and for those of us that need visual, this is the guide for you. It gives you plenty of sites you would expect and some that you didn't know about but wanted to visit. I never hesitate to buy these guys and have been purchasing them for our various travels over the last 15 years or

so. They are spot on and always put out a great product. I used this in conjunction with another book called Maui mile by mile which I bought used, and felt fully prepared for our travels.

I borrowed this from the library, along with a stack of other Maui books, and found myself using just this. I love the layout of top 10 hotel/beaches/shopping/scenic spots/etc for each area of Maui. I REALLY like how each 'top 10' section is a double page layout - in other words, short and sweet and easy to see all under each topic quickly. We're going next week and I expect to keep this practically in hand, as we're doing a semi flexible-schedule trip. Others going on the same trip also got this book after seeing my library copy.

Good for intro to Maui

Great reference for our trip

Always my fave quick hit list book for travel, with Maui being no exception. Don't love the combo with the smaller islands, but expected. Good maps and must do's for island. Great buy!

Having used these guides before and loving their convenience we bought this one before going to Maui. It is good and works pretty well. However, my parents later on (before the trip) bought us the Maui Revealed guide and it was used far more often and we liked it a whole bunch more.

An invaluable little pocket guide for the island of Maui and beyond. The 'top ten' feature is a very clever one and helps you navigate the various sections of the island. The east side is more populated and more touristy while upcountry and the western part is desolate, to say the least. The road to Hana is an experience not to be missed.

Needs to add more places to eat and things to do or see, but overall it was a pretty good book. I would suggest just getting the touristy stuff out of the way and just relax.
