GREAT Notebook. Use it as a place to keep your daily to-do list, write your grocery list, keep track of appointments. Not just a journal. With a scored cover, it is handy as an all-purpose notebook for everyday use. "The journals are not only splendid but, as a reference book, nothing is more valuable to a writer than personal journals kept over extended periods of time." --Marguerite

Quaintaine "Yes! I just love these journals! On your nightstand, in your car, beside your computer, near the door for when you sit on the deck, or in the backyard, or at the beach, traveling anywhere. And each time you open the journal or close the journal, you see a message of wisdom, humor, fun, and many more covers. In addition, they make wonderful gifts. Check out the page for all the great covers - there's a theme for everyone you know." --Kieran York "Beautiful

journal, wonderful high quality. The inside pages are lined so nicely. I love the 7 by 10-inch size. It is so pretty to look at! the colors just pop. I will be ordering more, for myself as well as gifts. How could I not at this fantastic price and quality? You can use this for just about anything. List making, note taking in school. There are so many beautiful covers to choose from. I love mine!" --Christine Dupre
"Lovely journals. Can be used as a planner or a notebook. The cover is thick with a nice feel--matte finish. Lined pages. All around nice book to carry with you." --Kay Reads Books
