# Wolf Haven: Sanctuary And The Future Of Wolves In North America

## Synopsis

This stirring book of photographs introduces the many wolves that have been given sanctuary at Wolf Haven International near Mount Rainier in southeast Washington State. Annie Marie Musselman was given the rare opportunity to photograph the wolves at the Wolf Haven sanctuary. These captive-born and displaced wolves came from a variety of captive environments. Some of the highly endangered Mexican and red wolf pups will be raised with the possibility of future release into the wild. Human contact is very limited, so the images captured by Musselman express a wild spirit that is very different from anything seen in domesticated animals. Brenda Peterson's text puts the stories of these wolves, and of wolves in North America, into context as she describes their behavior patterns and social structure. Wolf Haven uncovers new truths about wolves and the ways humans are finding to coexist with these wild animals.

## Book Information

Hardcover: 144 pages

Publisher: Sasquatch Books (September 27, 2016)

Language: English

ISBN-10: 1632170515

ISBN-13: 978-1632170514

Product Dimensions: 11.2 x 0.7 x 8.8 inches

Shipping Weight: 2 pounds (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars 25 customer reviews

## Customer Reviews

"[Musselman's] images of the haven embody the meditative patience she used to photograph it. They're ethereal and lightweight, less like static pictures and more like breath—a glimpse of a being that you know is there but that you can't predict or control." —National Geographic

Annie Marie Musselman is a fine-art photographer and author of the book, *Finding Trust*. Her photos have appeared in the *New Yorker*, *National Geographic*, *Audubon*, *Smithsonian*, *Orion*, *The New York Times* and *Outside*. Her wolf photos have won a Best Magazine Award for *Smithsonian*.

Brenda Peterson is a novelist, memoirist, and National Geographic nature writer. She is the author of eighteen books including *Your Life is a Book* and the recent memoir, *I Want to Be Left Behind*, which was selected as a "Great Read" by independent booksellers and a "Top Ten Best Non-Fiction Book of the Year" by *Christian Science Monitor*. Her work has appeared in *The New York Times*, *Orion*, *Utne Reader*, *San Francisco Chronicle*, *Seattle Times*, *Tikkun*, and *Oprah* magazine. Since 1993, she has contributed commentary to NPR.

Bought this for my granddaughter (not yet 10,) who has visited wolf sanctuaries in CO and TX. She's watched the *Dutcher* DVDs many times, has one of Jim's books and loves them all. THIS book I'll (also) buy again for myself; beautifully written and the photography is excellent.

Beautiful photos and nice stories. I hope lots of people read about these beautiful wolves and work for their preservation.

Bought this as a Christmas gift for my brother who loves wolves. He loved it!

I have visited Wolf Haven and I value them for a well-balanced blend of love, education, practicality and aesthetics. They merit our support and this book reflects their spirit and efforts well.

have not yet had the chance to read the book but the photography puts the beauty into perspective of all the work they do at Wolf Haven

Love gray wolves. Wolf Haven is my smile charity. Happy to support them. Pictures are great.

Beautiful book. Wolf Haven is a great place.

a beautiful book
