Fabulous for helping young and old alike learn German. Has the words in English and German. Includes the articles.

This is a terrific book. Anytime my girls (3yrs and 6yrs) or I (the mom) want to know what that thing in everyday life is in German, we take a look in this book and we find it as well as a lot of other related words. My 3yr old likes to just look at the pictures even. Quite a few of them put me in mind of the Where's Waldo book pictures.

This book is so much more fun to learn from than the standard picture dictionaries. Each page has a beautifully illustrated picture with so much to look at and a lot of individual items beside the picture which are labeled in both languages. Great for adults and kids of all ages.

My daughter loves this! We are having so much fun!

This is a very comprehensive book with lots of great pictures. Perfect for a school aged child learning German. I use it with my 3.5 year old. He loves the pictures and I read him the German words - fun way to learn together!

Great gift

Our grandson is taking German classes with his Dad. On receiving this gift his Dad started reading it and showing the photos to our grandson. He was happy to have the book to help teach his son.

Have bought many of these books for my handicapped daughter. She loves learning new languages. These last her for, usually, more than one year. I know they would last longer under regular use but, she uses them often, and due to her limited abilities with her hands, she is very rough on them.
