Excellent history for studying and understanding American Methodism. As this is a Kindle edition, I think the addition of hyperlinks would have improved its usefulness

An essential for anyone who calls themself a "methodist!"

A very interesting and helpful publication. To require me to type in more words before I can submit is wack. I suggest you remove this requirement immediately

Very difficult to read.... for the lay person simply looking for history of American Methodist, this is way too detailed -- very dry, fact filled. Unfortunately it is required for a class I'm taking. Painful.
