Vikings (Blast Back!)

Synopsis

Get ready to blast back to the past and discover what life was like as a Viking! When people think about Vikings, things like big ships and helmets with horns may come to mind. But what was it really like to be a Viking? This engaging nonfiction book, complete with black and white interior illustrations, will make readers feel like they've traveled back in time. It covers everything from the ships they sailed to everyday life, and more. Find out interesting, little-known facts such as how the Vikings discovered North America long before Christopher Columbus, and how one Harry Potter character was named after a famous creature from Viking mythology! The unique details along with the clever and humorous interior illustrations make this series stand out from the competition.
