Customer Reviews

As a neophyte collector of hobby horses and a bronze artist, I was thoroughly delighted with The Collector's Guide to Selecting, Restoring, and Enjoying Rocking Horses. It is always interesting to see the progression of artistic impressions by carvers and modelers over the years. This book does it well.

I have antiques and a wonderful rocking horse I needed information on. It gave me what I needed and I was able to identify my piece. I recommend this book.

Very informative on the history of the rocking horse. Recommend.
