Rise Of The Ranger (Echoes Of Fate: Book 1)

Synopsis

A brand new trilogy from Philip C. Quaintrell, author of The Terran Cycle. The Echoes of Fate, a prophesy uttered unto the world a thousand years ago, cannot be denied. Mankind has lorded over the land of Illian for a thousand years, enjoying what was left to them by the elves, as if it were their birthright. A thousand years is a long time for an immortal race to see the error of their ways and realise a truth that has remained unsaid for a millennia - elves are superior! They are faster, stronger and connected to the magical world in a way that man could never grasp. Illian is their birthright. The six kingdoms of man are fractured, unallied and always clawing at each other's doors for more power. War is coming... Thrown into the heart of this war is an Outlander of the wilds, an assassin, a ranger. Asher was born a thousand years ago, but he doesn't remember. Forty years of brutal training and killing for money has beaten the earliest years of his life away, leaving his ties to the oldest of evils a mystery to all.

Customer Reviews

Can not wait for the next installment in this series. I enjoyed this book very much, the characters are

well written and true to the writers description. The story has a nice flow and i like the way you follow the characters in their journys in the world.

Really enjoyed this read. Story lines come together at the right time but still leave enough to introduce the next book. Characters are generally well balanced with enough inter-personal emotion to create an interest without overdoing it. Magic is plausible and there is no annoying 'low magic energy' copout to slow the pace. A few too many 'fantastical' dangerous creatures jumping out of portals. Will definitely read the next book.

A reluctant hero who is more than he seems, a plot to control the known world, good vs. evil with the result in doubt...this is a great read! Your time will be well spent on this one!

The story was amazing. I loved the characters and the friendships made over the course of the book. Can't wait until the next one.

Just finished reading and I really enjoyed the book it's plots and characters. The book moves along at a good pace and is filled with action. I look forward to the next book in the series.

Very well written, I really enjoyed it. Can't wait for the next one. Hopefully it will be out soon. Read this!

I enjoyed this book. The character set were good and the development of the main theme was good

I don't write many reviews, but this book is worth the time and money. I was looking for a new author and found one. The book is not your common fantasy book, the main characters have a wide range of different goals. I find Philip has a great way to bring these people together and work with one and another. I can't wait for the next book.
