Loved It!!!!

Amelia is a daughter of a politician who wants to control every aspect of her life. She's not allowed to go out partying and is basically a prisoner in her own home. Her dad decides she needs to marry another politician son. Before the first date with him, She goes to a biker bar and meets Ethan. She wants her first time to be something she chooses. Ethan is a man trying to keep the club alive that his dad loved since his passing. A politician is doing everything he can to shut down every club. When he meets Amelia he has no idea she's the politicians daughter. What will happen when daddy finds out? Will Amelia go through with marriage to politician? You have to read book because it is amazing.

I read this book as part of an arc program. I liked this book, it was the story of Amelia, a daughter of a politician who is running for re-election and is expected to play by his rules and do as he says. Amelia decides to take one night for herself and ends up at a dive bar where she meets Ethan and decides to go home with him and lose her virginity. After their one night stand, Amelia's father warns Ethan to stay away from her and vows to use more efforts to take down motorcycle clubs. Ethan's club is legitimate and he only wants to ride. Amelia starts to suspect her father of dirty dealing and when she learns she is pregnant, she goes to Ethan, only danger follows. I enjoyed this book and I really like April's books, they always feature a strong male character who always wants to do the right thing, even if it costs him. Good Book.

I really enjoyed reading this bad boy and rebellious daughter book. April never disappoints me, she really knows how to draw your attention to the book. Amelia is the daughter of a politician who is being backed by some corrupt people who want him to shut down Motorcycle Clubs whether they are legit or not. Amelia is angry with her father because he wants her to marry the governor's son because it will be good for his image and help his re-election. Ethan is a mechanic and is involved with one of the only legit Motorcycle Clubs. He vows to get the politician who wants to shut down the Motorcycle Clubs to change his mind. Amelia decides that she wants to lose her virginity so she finds herself at a dive bar. When she meets Ethan she decides to let him be the one. Ethan and Amelia hook up without knowing who they are and what they mean to each other. There is a lot more to the story but you will have to read the book to find out if they will survive everything that is thrown in the way. I received this book as an ARC copy for a voluntarily honest review.
