Short Stories In Italian 2: My Childhood Dream (Italian Edition)

Synopsis

This book is the second in a series of short stories aimed at helping you improve your reading skills and comprehension of the Italian language. 'My Childhood Dream' tells the story of a young boy and his adventures growing up in a countryside village in Italy. The boy dreams of learning a foreign language and traveling the world, seeing and experiencing things his farmer parents would never have the chance to. Through the medium of storytelling, you will find that your desire and ability to learn Italian increases. This book will be particularly useful for those who have difficulty expressing themselves in various situations in the Italian language. As you read these stories, you will learn new words and expressions, thus improving your expressive and active vocabulary. At the end of the book, there is a short workbook with questions designed to help you express yourself better through written practice of the language.
