Customer Reviews

This is my favorite book to my children. It is fun, positive, and educational. It shows the importance of friendship.

I love reading stories to my daughters that have a great positive life lesson. My friend told me I had to get this book and she was right. The story goes far without being lengthy and the illustrations are incredible and help the kids visualize the scenes. I'm very happy I found this story and highly recommend it.

Wonderful story for young children. Positive and thoughtfulness of diversity. Illustrations are great and flow with storyline. I was delighted to read this book from a great teacher. Thank you
