Product Dimensions: 0.8 x 9 x 11 inches

Shipping Weight: 1.2 pounds

Average Customer Review: 3.8 out of 5 stars 5 customer reviews

Best Sellers Rank: #2,176,490 in Books (See Top 100 in Books) #17 in [Books > Travel > United States > Nevada > Las Vegas](#) #1646 in [Books > Reference > Atlases & Maps > United States](#) #3479 in [Books > Reference > Atlases & Maps > Travel Maps](#)

Customer Reviews

Book by Rand McNally

This is a great guide. Too bad Rand McNally chose not to print it any more after 2008. There is so much change in the Las Vegas area that this has less reliability than it should.

i bought this before moving to las vegas and used for reference for housing and employment. now in the city, i use it to locate and judge travel time. it is almost 100% accurate, however i think one street was listed before the actual completion. if traveling on warm springs west of the I-15, it does not go west past Dean Martin Blvd to Rainbow as described. It becomes a dirt road that detours south to Blue Diamond Highway which becomes a long and lengthy detour in traffic, about 10miles. I got to see a lot of new neighborhoods but was not happy about the detour. I think a physical map book is better than an-in vehicle gps because you can map out and get to know the area before getting in traffic and not have to look at gps and drive. i cannot do other things while driving and other drivers will appreciate that.

Needed a new street guide. The 2008 version was pretty much the same as the 2006 version. The

streets are changing quickly in Las Vegas and the areas I looked at still had not been updated. The overall purchase process was fine; the book arrived in perfect condition. Its nice to have a street guide in better condition.

I found the Thomas Guide maps harder to use than the Metro Maps book for Las Vegas. The map grids do not align with the major streets and the maps in the Thomas Guide are not complete and do not show the newer subdivisions. Prefer the Greater Las Vegas Street Guide and Directory.

serives was great,it was here in 2 days,the book was not in stores,but found it here on .com thank you bbrickerbrat
