I am so happy I decided to purchase this book! It has been a wonderful addition during our history lessons. We love the maps, coloring sheets, suggested projects and the review questions are so helpful.

We love this series for our history lessons for our home school. This is our third year using it and all 3 of our kids have enjoyed these!

The best history book for children. The best storytelling author. Write more books.

Excellent book! Clear, interesting chapters. I highly recommend this, especially for homeschooling.

Artwork not as good as earlier books, but we still love the activity book to supplement our curriculum. We thoroughly enjoy The Story of the World history curriculum.

This went above and beyond my expectations. I love pairing this with the story book. My kids get sooooo much more out of the stories when they have activities to go along with them!

Each chapter includes suggested supplemental reading, review questions, narration examples, and activities/projects.

Engaging and informative. This series is solid.
