## Customer Reviews

Wanderlust Travel Awards 2009-2014 "This [DK Eyewitness Travel: Top 10] might be the best traveling companion to throw in your pack. It's a slim and sleek overview loaded with practical and useful content." - Gadling.com "Known for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." - Chicago Tribune "The best option! Color photos, maps, and diagrams bring the place to life." - The Philadelphia Inquirer

About DK Eyewitness Travel Guides: For more than two decades, DK Eyewitness Travel Guides have helped travelers experience the world through the history, art, architecture, and culture of their destinations. Expert travel writers and researchers provide independent editorial advice, recommendations, and reviews. With guidebooks to hundreds of places around the globe available in print and digital formats, DK Eyewitness Travel Guides show travelers how they can discover more.

Spent about 4 days in Tallinn recently. I like DK guides in general for planning, but rarely take them with me because of weight (and I see their strength as sights, not so much restaurants or hotels.) However, I didn't have a lot of info on Tallinn (a few pages from another guidebook.) So I got this to help me plan...and liked it so much I got the Kindle edition as well to take with me. It was great for 4 days. Tried several of the recommended pubs and restaurants and went to most of the recommended sights in the old town (plus Catherine's Palace and the Open Air Museum.) There was some pretty detailed information which I found helpful (such as the best artwork in St. Nicholas Church.) In general I prefer the "regular" DK guides, but this one worked very well for Tallinn.

I can't get enough of these guides, and the Top 10 series is fantastic. For a trip to Europe where you will be visiting multiple countries, the Top 10 Guide will fit easily into your bag with a couple other books without adding much weight. This guide for Tallinn is a great introduction to the city (as well as the country of Estonia) - it includes a brief history and multiple Top 10 lists. There is one MAIN list of the Top 10 sights in the city, but the guide then goes on to share things like the Top 10 Restaurants in Tallinn or the Top 10 Churches, etc. GREAT purchase.

This is an excellent travel book it's small and colorful and concise. I did not agree with their top ten

restaurant choices and did my own research for hotels but this was well worth the cost.

as always, I love these travel books. If you don't know anything about a location you plan to visit, this is a great place to start.

One of the best guide books I've seen. Very well organized with great maps. Compact size makes it easy to carry. We spent four days in Tallin and used this guide extensively. It's advice on museums, restaurants, cafes, etc. was spot on. 100% recommendation!

Very informative but too short. Should have more interesting places to go.

Good for a trip to Tallinn without having to buy an Eastern Europe guide book which you do not need.

This is a great travel guide that really focuses in on the highlights of Tallinn. Anyone visiting Tallinn should always visit the Old Town first and foremost, and the tour book starts you out with the town square in Old Town, which has stood for over 400 years now. The book gives you some of the greatest churches, castles, museums, towers (to see across the city), as well as restaurants and places to shop (both old and new). The historical significance is displayed in the book (castles, walls, and tombs are given detailed descriptions), and the Estonian past is blended well with the innovation of a country looking towards the future.
