The Journey Into The Nether: An Adventure Novel Based On Minecraft: Part 2

Synopsis

A young boy embarks on a journey that takes him from the quaint life in the Over World to deep dark depths of danger. What is he destined for? Alex lives on his uncle's farm but dreams of a bigger life. When his uncle is kidnapped by skeletons one night, Alex must leave the life he knows to find his uncle. But what starts off on a simple rescue mission ends up as something much more. Alex discovers that his family is connected through the ages to the monster that resides in The End. Will Alex be able to save his uncle and the Over World from the disturbances in The End or will he end up becoming what his family history and blood drag him towards - leading the Ender Dragon to destroy the Over World? This is a second book of a three part series. A gripping tale of adventure with an unlikely hero at the center of it all, Journey into the Nether will keep you captivated right from the first page. From the creators of the best-selling The Amazing Tale of Steve comes yet another thriller that you're sure to enjoy.
