Psychology In Everyday Life (High School)

Synopsis

The psychology course is often a student favorite because it's so relevant to our everyday lives. And like all Myers and DeWall texts, *Psychology in Everyday Life* delivers an enjoyable and entertaining read, complete with the latest research and an eye-catching design. Unlike other Myers/DeWall books, this is a brief offering that makes no assumptions about a student's background or experiences. This book is written with the diversity of your students in mind.
